For further information, please visit our website:
<https://www.aachen-colloquium.com/call-for-presentations>

Are you an expert in sustainable mobility? Then take the opportunity to participate in our congress by giving a technical presentation. Please visit our official website <https://www.aachen-colloquium.com/call-for-presentations> and submit your abstract until February 15th, 2025. At the end of the submission deadline, a selection of presentations will be made on the basis of the abstracts.

We are looking forward to getting your paper proposal.
